The names of the members of

the Society, its Executive Council and Finance Committee are given in the Appendix.

A resume of the activities of the Society during the period, 1st April 2015 to 31st March 2016, is presented department-wise in the following paragraphs:

MUSEUM

The Nehru Memorial Museum in the precincts of Teen Murti House, a Grade I heritage building, is dedicated to showcasing the life and works of India's first Prime Minister, Jawaharlal Nehru, in the proper context of the long endured Freedom Struggle for Independence and the political advancements culminating into the founding of a Democratic and Republican India. As part of the commemorative celebrations for the 125th Birth Anniversary of Jawaharlal Nehru, the Nehru Memorial Museum received a special grant from the Ministry of Culture, for commencement of a major Modernisation Project, a first since the founding of Museum in the sixties. The Modernisation project envisages the up gradation of the display of the permanent galleries and augmentation of visitor services, necessary for a complete Museum experience. For optimum visitor engagement the display will become interactive and sensorial, employing the use of holographic projections, digital archives, audio and visual projection of important speeches, etc.

Being executed in a phase-wise manner, the Museum Modernisation Project will effectuate an engaging narrative focusing on Jawaharlal Nehru's long political career from being at the forefront of the freedom movement to becoming the first Prime Minister of India. As one of the main architects of Modern India, Jawaharlal Nehru's contribution in the framing of the Constitution, India's Foreign Policy, Parliamentary Democracy, Five- Year Plans, are inadequately represented in the present display, which would be recounted exhaustively. The founding of National Organisations and Research Institutions, the hydro-electric schemes, steel plants, heavy industries, etc. once famously termed as the 'Temples of Modern India' by Jawaharlal Nehru, would be exhibited using an imaginative and meaningful narrative. The chronicling of important political ideologies and the contributions of national heroes of the Independence Movement, an integral part of the present display would be maintained in the Modernisation Project.

Also elemental to the Modernisation Project is the preservation and restoration of the original characteristics of the Heritage Building of Teen

Murti House and the Permanent Rooms maintained as they were during the lifetime of the first Prime Minister. The uses of energy-efficient outdoor lightings for illumination, enhanced security & surveillance systems, water harvesting, and generation of green energy are important facets of the Modernisation Project. For the modernisation project, the NMML appointed M/s Abha Narain Lambah Associates as their Design Consultant for Concept and Thematic Designs of the Galleries. The CPWD's Civil and Electrical Divisions are the executing body for the project. During the period of the Report, work was in progress for the first of the four phases of the Museum Modernisation and was nearing completion. It has so far resulted in space optimisation and increased storage provisions for the valuable archives of the India House Collection and the Museum's Permanent Collection.

During the period under review, the footfall in the Museum accounted to nearly 17 lakh visitors, including Indian and Foreign Nationals, averaging about 5000 in a day. Guide facilities were readily extended to the different visitor groups including school groups, tourists and keen individuals.

The Museum also had the privilege of receiving distinguished State Guests to the Government of India. Notable among them were: His Excellency Dr. Milan Brglez, President of Republic of Slovenia's National Assembly accompanied by His Excellency Jozef Drogenic, Ambassador, Slovenia to India with a Parliamentary Delegation; Ms. Mary Tan, First Lady of Singapore accompanied by Mrs. Patriua Lim wife of High Commissioner to India, Singapore; Mr. Fadli Zon, Vice Speaker, House of Representatives, Republic of Indonesia accompanied by a Parliamentary delegation, His Excellency Richard R. Verma, Ambassador to India, United States of America; Mr. Demetrios A. Theophylactou, High Commissioner to India, Cyprus; Shri V. Paneer Selvam, Member, Lok Sabha; Hon'ble Justice Ranjana Desai, Former Judge, Supreme Court of India; Shri Ravindra Singh, former Secretary, Ministry of Culture, Government of India;; Shri N.K. Sinha, Secretary, Ministry of Culture, Government of India. Official delegation from NCERT, ICCR, CCRT and University of British Columbia also visited Nehru Memorial Museum.

The Nehru Memorial Museum augmented its Outreach and Educational activities in addition to the bilingual Museum tour. A series of well conceptualized gallery walks were especially designed along with Outreach Kits including activity sheets and feedback forms for the school groups. Maintenance of database of schools and tourist visits was initiated as part of

Museum Visitor Studies. The academic curriculums of schools were contextualised and appended by the rich collection of archival photographs and other documentary material from the Museum's display. Some of the topics of the walks were as follows: 'Works and Contribution of the Social Reformers'; 'Peaceful Nature of Independence Movement (Non-cooperation, Civil Disobedience, and Quit India)'; 'Making of the Constitution of India'; 'Women and India's Independence Movement', 'Teen Murti Bhawan's Architecture' and 'The Original Rooms from the time of Jawaharlal Nehru', etc.

Special walk-through of Museum with screening of documentaries on Jawaharlal Nehru and book-reading sessions were facilitated for the students and faculty of Nangyal School Group, Nepal; Department of Women and Child Development, Bhopal, Teach India, National Cadet Corps, School of Planning and Architecture, Renu-Setu Foundation, Nerhu Yuva Kendra, Kerala and School visits from St. Paul Institute of Education, Nagaland, Sanskriti School, Heritage School etc.

The Nehru Memorial Museum celebrated important days as International Day for Monuments and Sites, International Museum Day, Hindi as the National language during Hindi Pakhwada, Swacch Bharat Campaign, etc. For the Swacch Bharat Campaign, signages and orientation notes were circulated to the visitors and school groups to spread the message of the campaign and to request their participation in the upkeep of the Museum, its lawns, Kushak Mahal, the 14th century hunting lodge in Teen Murti premises and adjoining areas. Special Orientation sessions were also conducted for school groups to discuss the concepts of: cleanliness of surroundings, significance of cultural and natural heritage and its preservation, water conservation, etc.

The Nehru Memorial Museum undertook the digitisation of the Museum's Permanent Collection with photography, measurement and detailed description of the Collection. A Museum Catalogue of the 100 most significant works shall be taken as an in-house Museum Publication. The Accession Registers were inventorised including the rare books that were part of the personal collection of Jawaharlal Nehru, presently displayed in the Permanent Rooms of the Museum.

The Museum also conducted two surveys to understand the visitations patterns in the Museum and to acquire visitor feedback and suggestion regarding the display and services for consideration in the Museum

Modernisation Project.

The maintenance and upkeep of the memorabilia and other items on display in the Gift's Gallery, the permanent exhibition on display in the Museum was maintained by replacing their old, faded captions with the new ones.

The newly inaugurated Museum Souvenir Shop, during the period, has sold Rs. 3,32,129/- worth of books/various publications including NMML publications, Souvenirs, Photographs, and other literature of children's interest.

Accounting Policies and Notes to Accounts for the Financial Year Ended 31.03.2016

The Nehru Memorial Museum and Library (NMML) was established on 01.04.1966 under the Societies Registration Act, 1860. The NMML is primarily a research institution and is engaged in the research work of high order in Social Sciences – particularly Modern Indian History and to establish, maintain and run Museum and library. It is a non-profit earning, non-manufacturing body and is fully funded by the Ministry of Culture, Government of India. The Accounts of the entity comprise of the accounts of the NMML Society, Modernization Project Fund and General Provident Fund and Contributory Provident Fund of the Society.

A. Accounting Policies

1. Accounting Convention

The financial statements of the NMML have been drawn up on historical cost convention and have been prepared in accordance with applicable Accounting Standards issued by The Institute of Chartered Accountants of India on accrual basis unless otherwise stated.

2. Use of Estimates

The preparation of Financial Statements requires some estimates which effect the reported amounts of assets and liabilities on the date of Financial Statements and reported amount of Revenue and Expenses during the year. Difference between the actual result and estimates are recognized in the period in which results are known/ materialized.

Revenue Recognition

- a) Income from sales of tickets and services are accounted for on receipt basis and is net of rebate and discount wherever applicable.
- b) Fee received for Library Membership are accounted for on cash basis;
- c) Income from royalty is accounted for on cash basis and based on the terms or relevant agreement and the statement received from the publishers;
- d) Income from investments –
 - (i) Interest on interest bearing securities and fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and rate applicable.
 - (ii) Interest pertaining to specific/ endowment fund is credited to the respective fund account.

3. Grants-in-aid

Government Grants for revenue are recognized as income to the extent amount has been utilized as expenditure in the Income and Expenditure account. Unutilized amount of grants in aid at the year end is treated as liability and carried to next year.

Government Grants for acquisition of specific fixed assets are credited to Capital fund. Further the amount equivalent to depreciation for the year is transferred to Income & Expenditure account.

5. Fund

- i) The word 'Fund' has been used to denote the intention to keep the balances invested ultimately.
- ii) Corpus refers to funds contributed by the founders with a specific direction that they form part of the corpus of the NMML.
- iii) Capital Fund represents the value of fixed assets created out of the grants-in-aid.

6. Fixed Assets

Fixed Assets are stated at cost of acquisition less depreciation thereon except for non-depreciable assets.

7. Depreciation

Depreciation is provided on Written down Value Method at the rates prescribed under the Income Tax Act, 1961.

8. Investments

Investments are intended to be held till the maturity as per the management policies and are valued at cost.

9. Inventories

Inventories of publications, raw microfilms are shown at cost.

10. Employees Benefits

Retirement benefits are comprised of General Provident Fund, Death-cum-Retirement Gratuity (DCRG), Pension and Leave Encashment as well as post retirement medical benefits and are paid/ accounted for on cash basis in accordance with the Central Government Rule.

11. Contingent liabilities:

Liabilities, though contingent, are provided for if there are reasonable prospects of such liabilities maturing. Other contingent liabilities, barring frivolous claims, not acknowledged as debts, are disclosed by way of note.

B. NOTES TO ACCOUNTS

- 1) There has been shortfall of investment of GPF Fund and CP fund as on 31.3.2016 by Rs. 59,27,675/- (Rs. 63,64,868/- as on 31.3.2015) as compared with the accumulated balance of GP fund and CP fund on that date. The shortfall is mainly on account of minimum interest payable as per the notification of the Central Government on the members' accumulated balance of fund and the interest earned on the investment held in earlier years.
- 2) The provision for gratuity, pension and leave encashment is made on cash basis.
- 3) *Corpus Fund*

**Separate Audit Report of the Comptroller & Auditor General of India on the accounts
of Nehru Memorial Museum and Library, New Delhi
for the year ended 31 March 2016**

We have audited the attached Balance Sheet of Nehru Memorial Museum & Library (NMML), New Delhi as at 31 March 2016, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date, under Section 20 (1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2018-19. These financial statements are the responsibility of the NMML's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules and Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit we report that :

- (i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (ii) The Balance Sheet, Income & Expenditure/Receipts & Payments Account dealt with by this report have been drawn up in the Uniform Format of Accounts approved by the Ministry of Finance.
- (iii) In our opinion, proper books of accounts and other relevant records have been maintained by NMML in so far as it appears from our examination of such books.
- (iv) We further report that:

A. Balance Sheet:

A.1. Liabilities

A.1.1 Capital Fund (Schedule-2): Rs. 35.20 crore

A.1.1.1 As per Schedule-2: Capital Fund, an amount of Rs. 16.45 crore was shown as amount utilized up to 31.03.2014 under CWIP/FA and transferred from Modernization Project Capital Fund to Capital Fund – Depreciable Asset' in the annual accounts of NMML for the year 2014-15. This shows that assets amounting to Rs. 16.45 crore were created. However, the same had neither been capitalized as fixed assets nor depicted as CWIP in the Annexure to Schedule-6: Fixed Assets (Annexure-F). This resulted in understatement of 'Fixed Assets' and overstatement of Capital Fund by Rs. 16.45 crore. This was also reported in the previous year's report, but no corrective action was taken by NMML.

A.1.1.2 As per the Form of Financial Statements for the Central Autonomous Bodies, balance of net income (expenditure) transferred from the Income & Expenditure account is to be added/subtracted in Corpus/Capital fund. However, NMML has transferred the excess of expenditure of Rs. 7.65 crore (out of the surplus of Rs. 15.15 crore for the year 2015-16)

under Reserves and Surplus (Schedule-3) instead of 'Corpus fund'. This has resulted in overstatement of Reserves and Surplus and understatement of Capital Fund by Rs. 7.65 crore.

A.1.2 Current Liabilities and Provisions (Schedule-5): Rs. 30.86 crore

A.1.2.1 During 2009-10, National Council of Science Museums (NCSM), Kolkata was entrusted with the work of upgradation of Nehru Planetarium (Nehru Memorial Museum and Library), New Delhi by the Ministry of Culture. An amount of Rs. 12.58 crore was paid to NCSM during the period 2009-10 to 2013-14. The work was completed and handed over to NMML in October 2010. NCSM refunded the unspent balance of Rs. 0.56 crore to NMML in July 2015. NMML reduced the Fixed Assets by Rs. 0.56 crore in the annual accounts of 2015-16. However, the liability for the same as refundable to the Ministry was not created in the Accounts. This has resulted in understatement of 'Income' and understatement of 'Liabilities' by the like amount.

A.1.2.2 The expenditure towards payment of 'Retirement Benefits' and 'Pension to pensioner' was made amounting to Rs. 1.35 crore and 3.10 crore respectively during 2015-16. As per the significant Accounting Policy No. 10 of NMML, the retirement benefits were accounted for on cash basis. AS-15 of ICAI indicates that Employees benefits obligations are to be done on actuarial Valuation Method. However, no provisions for retirement benefit on the basis of actuarial valuation were made by NMML in contravention of instructions issued in the approved format of accounts. This was also reported in the previous year's report, but no corrective action was taken by NMML.

A.1.2.3 Provision for audit fees was not made in the annual accounts.

A.2 Assets

A.2.1 Fixed Assets (Schedule-6, Annexure-F): Rs. 28.52 crore

NMML had acquired assets of Rs. 12.37 lakh under the head Annexe building (Modernization) (Annexure-F of schedule-6). Audit noted that the addition was related to second half of the year but depreciation was charged to the full. The depreciation should have been charged at the rate of 5% instead of 10% as charged by NMML. This has resulted in overstatement of depreciation and understatement of assets by Rs. 0.62 lakh (5% of Rs. 12.37 lakh).

A.2.2 Current Assets Loans and Advances etc. (Schedule -9): Rs. 26.55 crore

Closing stock of Consumable store valuing Rs. 0.25 lakh was not depicted in Current Assets under Inventories in Schedule-9 of Balance-Sheet. This has resulted in understatement of Current Assets and overstatement of Expenditure by Rs 0.25 lakh.

B. General:

B.1 As per details of FDRs in respect of Modernization Project, an amount of Rs. 5097485 was shown as receipt of interest for the year 2015-16. Whereas, under Schedule-2: Capital Fund, amount of interest on FDRs of Modernization project is depicted as Rs. 5082425. The difference in figure needs to be reconciled.

C. Grants in Aid:

C.1 NMML received Rs. 2193.99 lakh under Non-Plan from Ministry of Culture during the year 2015-16. It had unspent grants of Rs. 17.38 lakh (Rs. 16.37 lakh under Plan and Rs. 1.01 lakh under Non-Plan) from the previous year. Besides, it had internal receipts of Rs. 121.36 lakh during 2015-16. Out of the total funds, it utilized Rs. 2262.17 lakh, leaving an unspent balance of Rs. 70.56 lakh (Rs. 16.37 lakh under Plan and Rs. 54.19 lakh under Non-Plan).

C.2 In addition, NMML received Rs 3.30 lakh for Tatya Tope 200th Birth Anniversary and Rs. 3.00 lakh for Lala Lajpat Rai during 2015-16. Out of these, an expenditure of Rs. 1.35 lakh from Tatya Tope and Rs. 0.76 lakh from Lala Lajpat Rai was incurred, leaving an unspent balance of Rs. 1.95 lakh under Tatya Tope and Rs. 2.24 lakh Lala Lajpat Rai Fund respectively.

C.3 During 2013-14, NMML received non-recurring grant of Rs. 2000 lakh from Ministry of Culture for selected works, portal and up gradation of NMML out of which it utilized Rs. 545.42 lakh only during 2014-15 and no expenditure was incurred during 2015-16 leaving unspent balance of Rs. 1454.58 lakh as of 31 March 2016.

C.4 NMML also received special grant of Rs. 35.00 lakh from Ministry of Culture during 2012-13 for undertaking activities for commemoration of 150th birth anniversary of Sh. Motilal Nehru. Out of this, NMML could utilize Rs. 6.95 lakh (Rs. 0.24 lakh in 2012-13 and Rs. 6.71 lakh in 2013-14) leaving an unspent balance of Rs. 28.05 lakh as on 31.3.2016.

D. Management Letter: Deficiencies which have not been included in the Audit Report have been brought to the notice of the NMML through a management letter issued separately for remedial/corrective action.

(v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

(vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

- a. In so far as it relates to the Balance Sheet of the state of affairs of the Nehru Memorial Museum & Library as at 31 March 2016; and
- b. In so far as it relates to Income and Expenditure Account of the surplus for the year ended on that date.
