Memorandum of understanding between Ministry of Culture, Shastri Bhawan, New Delhi and Anthropological Survey of India for the financial year 2015-16

1. This agreement made on 30th March, 2015 between the Ministry of Culture, Government of India, represented by Director / Deputy Secretary (Culture), Government of India representing Ministry of Culture on the one part and Anthropological Survey of India, under the Ministry of Culture, represented by Director, Anthropological Survey of India (AnSI), on the other part, lays down the responsibilities, performance indicators and targets duly agreed by both parties, with an objective to achieve organizational goals by the AnSI through optimal use of available funds and to ensure proper functioning of the AnSI.

2. Anthropological Survey of India is a subordinate office of the Ministry of Culture, Government of India and a premier institute for Anthropological Research in the country. Established in 1945 at Varanasi and shifted to Kolkata in 1948. The Survey through its Head Office, Regional and Sub-Regional Centres, Field Stations and Camp Office is primarily engaged in popularizing Anthropology through its research in the field of Anthropology and its allied disciplines on Indian population and disseminating knowledge through its museums, exhibitions, seminars, publications, website, social media and outreach programmes. The statement of Mission of AnSI is briefly summarized as under:

- Develop the organization as launching pad for advanced academics and high technology based research to be applied in human development
- Understanding, documenting, preparing database and disseminating information on bio-cultural diversity of Indian population through published research work, seminars, workshops, awareness programmes, audio-visual documentation, museum documentation and so on.
- Development of Library for facilitating Research in Anthropology.

3. The important objectives of the Anthropological Survey of India are:

- Mapping Bio-Cultural Profile of Indian population (utilizing manpower specialized in Cultural, Physical and palaeo Anthropology, Human Ecology, Psychology, Biochemistry, Linguistics and Folklore).
• Understanding, documenting, preparing database and disseminating bio-
cultural diversity of Indian population (through published research work,
seminars, workshops, awareness programmes, audio-visual documentation,
museum documentation and so on).

4. Some of the major Functions of the Anthropological Survey of India are:

• Anthropological research in the country involving other sub-disciplines such
  as Ecology, Psychology, Linguistics, Folklore and Biochemistry through
  approved Plan Schemes.
• Mapping Bio-Cultural Profile of Indian population.
• Documentation of culture and Dissemination of knowledge through
  ethnographic film making, outreach programmes such as Health Awareness
  Camp, Mounting Exhibitions through Zonal Anthropological Museums,
  Publication of research findings and holding workshops, seminars etc.
• Capacity Building for anthropological research in the country holistically.
• Contributing to achieve the Missions of the Government of India through
  trained manpower of the Survey.

5. Anthropological Survey of India, in consultation with the Ministry of Culture, has
identified following key objectives that it will need to deliver substantially to
enhance its achievements and to ensure the furtherance of its objectives in the next
three years.

a) Setting up of new field stations and collaborating with other research
institutes, universities in India and abroad and government departments for
optimizing research findings.

b) Modernization of Zonal Anthropological Museums (ZAMs) to enhance
visitors’ experience.

c) Strengthen outreach activities and popularising research findings through
social media and website.

d) Organize professional development training programmes for professionals in
AnSI and others.

e) Mapping intangible cultural heritage (ICH)
f) Participation in the mission of the Government of India putting research
contributions on projects PRASAD, HRIDAY, MAUSAM etc.

6. Financial Allocations:

Under the annual plan 2015-16, AnSI has been provided a budgetary provision
of Rs.1000 lakhs under Plan (including TSP and North East Projects), and
Rs.1960 lakhs (Non-plan) and Rs.1500 lakh (Capital Works) has been
sanctioned to the AnSI for carrying out organizational, scientific research and
administrative work for achieving measurable improvement in service delivery
with reference to the key performance indicators included in Annexure-I, and to
attain the targets included in Annexure-II, of this Memorandum of
Understanding.
7. Performance and Monitoring:

AnSI will provide Ministry of Culture, Government of India quarterly reports in respect of the achievements on the targets set out in Annexure-II of this agreement. The progress achieved will be monitored in a joint meeting in every six months in to the financial year and at such other intervals as may be decided by Ministry of Culture. The fund allocation under Plan for AnSI in future years will be largely dependent on the achievement of the targets as laid down by this agreement.

12. Preparation of RFD in respect of AnSI and ensuring its implementation by the target date.
13. A fresh proposal for implementation of FCS in AnSI will be prepared referring the same to the earlier efforts made and sent to the 7th Pay commission.
14. Ensuring that the inputs for preparation of EFC/SFC will be submitted on time, if required.

II. Major Research Projects:

1. Bio-cultural Diversity, Environment and Sustainable Development
2. Man Environment: Study of Biosphere Reserves in India
3. DNA Polymorphism of the Contemporary Indian Populations and Ancient Skeletal Material
4. Community Genetics and Health: Bio-Cultural Adaptation
5. Physical Growth & Development of Children in North East India: A Public Health Issue
6. Palaeo-anthropological Research  
7. Development of DNA Banking  
8. Documentation & Dissemination  
9. Study on cities under projects HRIDAY/ PRASAD  
10. Organizing an exhibition on Indigenous Boat typology for the Festivals of India under Project MAUSAM etc.  
11. Mapping ICH

III. Outreach Measures:

2. Documentation and Dissemination of Indian culture including Tribal Culture, Genetic Screening and Awareness Camp, Documenting and Promotion of Indigenous Culture and Training on Cultural Practices including Tribal culture.

3. Dissemination of culture through Zonal Anthropological Museums and development of museum activities.

4. Organizing Genetic Screening and Health Awareness Camp among the tribal and other communities and Documenting Cultural Events Tribal culture.

IV. Collaborative Research:

1. Collaborative Programmes with Universities and other Research Institutes  
2. Collaboration with International Institutes for establishment of Ancient Bio-Molecular Laboratory  
3. Collaboration with National Institutes on Remote Sensing for study of Biosphere Reserves  
4. Finalization of Human Genetic Resource (Collection and Regulation) Bill.  

V. Research Support Programme:

1. Award of Fellowship in various categories.  
2. Organization of Seminars/Workshops and Partial Financial Assistance for organizing seminars/workshops to other institutes  
3. Grant to State Governments for relevant research (subject to approval of MoC).
VI. Publication:

1. Publication of books, monographs, Research Reports and other occasional publications. in addition to publication of Newsletter (quarterly) and House Journal (Biannually).
2. AnSI will prepare Annual Reports (one current and two backlog) during 2015-16.

VII. E-Governance

1. Development of online system for application of various services being provided by the organization
2. E-ticketing introduction in the Zonal Anthropological Museum.
3. Digitization of Museum Collections, Library Books and administrative records/files
4. Introduction of online system of accounting
5. Identifying and creating other e-services.

VIII. Others

1. Periodical training for all staffs
2. Assess needs for skill development and create tailored training modules
3. Revamping of Website and informatics data will be reviewed from time to time.
4. The presence of the organization on social media will be increased by asking media to cover all activities of the Survey taking place even in the remote locations in the country.
5. Increased presence on Social Media (Facebook, You Tube & Twitter)
6. Providing archival material on Intangible Culture to IGNCA will be initiated.
7. Making an inventory of cultural spaces under the charge of the organization
8. The Survey will provide films produced by AnSI to DD Bharat and an inventory of such films will be made.
9. Revamping of Website and regular updating of information
10. Preparation of annual income & expenditure account by the organization
11. Maintenance of Asset register
12. Maintenance of reservation roster
13. Introduction of video show / kiosk for guidance of visitors to the Zonal Anthropological Museums (ZAMs)
14. Updating basic documentary CD for: 5-10 minutes giving introduction, activities and achievements of the organization
15. Double entry book keeping
17. Timely submission of monthly, quarterly, half-yearly and yearly returns in respective of administrative, financial, plan-non-plan expenditure and other important activities.
18. Printing of advance calendar of events.
19. Digitization of data on 4635 Indian Communities studied by the AnSI and published in 43 volumes under POI.
22. Coordination between AnSI and ASI on preservation and study of human skeletal remain.
23. Modernization of ZAMs & professional development of museum staff.
24. Organization of activities under International School of Anthropology for professional development of research personnel including collaborative/networking programme with national and international institutions.
25. Utilization of data/information generated from the AnSI studies / development of documentary and its publicity through suitable agency & networking with Planning Commission
27. Formulation of scheme to Award best Anthropological work done in India during the year.
