MINUTES

Minutes of the Meeting of the Expert Committee held on 2nd & 3rd Dec., 2013 to consider the applications received for the Artistes Pension under the "Artistes Pension Scheme and Welfare Fund".

.....

The Expert Committee constituted for the Scheme "Artistes Pension Scheme and Welfare Fund" met on 2nd & 3rd December, 2013 in the Conference Room, Central Secretariat Library, Shastri Bhawan, New Delhi under the Chairmanship of Shri K.K. Mittal, Additional Secretary, Ministry of Culture. The list of participants in the meeting on 2nd & 3rd December each is annexed (List 'A' & List 'B').

2. The Chairman welcomed the participants and initiated the proceedings with brief explanation of the salient features of the scheme. The Chairman emphasized upon the necessity to ensure equitable distribution of Pension among the Artistes belonging to the different states/ region of India. He advised the experts to keep in view that spurious applicants need to be discourages but simultaneously, it is to be ensured that the genuine Artistes are not left out. He summed up by saying that only deserving candidates need be recommended. He expressed concern over the wide imbalance among the states, vis-à-vis, the number of applications received from the different states. He observed that very less number of applications from the Northern States like Delhi, Punjab, Rajasthan, Gujarat, J&K, Jharkhand, Bihar, Madhya Pradesh, North Eastern States, West Bengal, Utrakhand and Uttar Pradesh etc. have been received. Therefore, the Chairman advised the Experts representing the Northern region to take appropriate steps to ensure wider publicity of the Scheme among the Artistes. With this, he concluded his initial briefing and advised the Experts to scrutinize/recommend/reject the applications on the sole criteria of merit. The Experts

took for consideration only those applications which were recommended by Zonal Cultural Centres ZCCs). Accordingly, the committee considered only 2167 applications (which were recommended by ZCCs) out of the total 5088 applications received through ZCCs. Out of the 5088 applications, 2921 fell under the criteria "not-recommended by ZCCs" and therefore not taken up for consideration by the Committee. Accordingly 2921 Cases (which were not recommended by ZCCs) stand rejected by the Committee.
