Ministry of Culture

Minutes of the 19th meeting of Expert Committee on Museum Grant Scheme held on 07.03.2018

The 19th meeting of the Expert Committee to consider applications received in the Ministry under the 'Museum Grant Scheme' was held on 07.03.2018 under the Chairpersonship of Ms Sujata Prasad and Ms. Shefali Shah, Additional Secretaries, Ministry of Culture. List of participants is enclosed at Annexure-1.

2. The agenda items on the proposals received for financial assistance under Museum Grant Scheme were taken up for discussion as given below.

I. **Proposal of Siddhapeeth Kabirchaura Math Mulgadi Trust, C.23/5, Kabirchaura, Varanasi-221001 (Project Cost: 465.00 lakhs).**

I.1 A proposal has been received from Siddhapeeth Kabirchaura Math Mulgadi Trust for setting up of Kabir Museum with a total project cost Rs. 4.65 Croes. The organization mentioned that they have exhibits such as Manuscripts, Sculptures, painting and books related to Kabir. The proposal was earlier considered in the 10th meeting of the Expert Committee. In the said meeting, the committee approved the proposal in-principle and recommended an amount of Rs. 5 lakhs for preparation of the DPR.

I.2 The DPR submitted by the organisation alongwith the report of physical inspection carried out by officers from Ministry of Culture was placed before Expert Committee during its meeting held on 31.08.2017 for consideration. After considering all the facts and the presentation made by the organisation, the committee observed that the organisation failed to describe the theme of the

427
proposed museum. Further, curatorial aspects of the proposed museum was also missing. The committee therefore advised the organisation to revise the DPR in such a way that it could depict the life and teachings of Sant Kabir through attractive and educative displays and resubmit their proposal for consideration of the Expert Committee in its next meeting.

I.3 Considering this, the organisation revised their DPR and submitted the same for consideration of the Expert Committee. The organisation also made a presentation before the committee. After due consideration, the Committee observed that the organisation has very few artefacts (Total No. 35) and most of them are not related with Sant Kabir. The committee felt that the collection is not commensurate with the project cost. Considering all these facts, the committee has not recommended grant of financial assistance to the organisation.

II. Galaxy, Karunasai Road, Vellanad P.O. Trivandrum, Kerala-695543 for Setting up of Psychopark Museum (Project Cost: 1111.14 lakhs).

II.1 The proposal was received from Galaxy, Karunasai Road, Vellanad P.O. Trivandrum, Kerala for setting up of Psychopark Museum amounting to Rs. 11.11 crores. The organization stated that they have a large no. of artefacts (10274) for display in the museum alongwith sufficient land (76.0809 acre) for the proposed museum. The artefacts include Statues, posters, Neuro Psychology, Psycho metric, oral audio-visual presentation etc.,

II.2 The proposal was earlier considered in the 15th meeting of the Expert Committee held on 6.3.2017, which did not recommend the proposal observing that the theme of the museum does not fall within the parameters of the scheme. Thereafter the organisation submitted a revised proposal, which was considered in the 17th meeting of the Expert Committee alongwith the report of the physical inspection done by Ministry of Culture. However, after considering the proposal

and the presentation made by the organization, the committee was of the view that the organisation failed to co-relate the exhibits to be displayed in the museum with the theme of the museum. The committee did not recommend the proposal

II.3 The organisation again submitted the proposal as a museum on Socio-Cultural development of the human race, which was placed before the Expert committee in its meeting held on 22.12.2017. Considering the revised subject of the museum, artefacts available with the organisation and the physical inspection report, the Expert Committee recommended the proposal in-principal. However, the committee observed that the organisation has not demonstrated the relationship between the theme and the artefacts to be displayed in the Museum appropriately. The committee therefore advised to develop a storyline linking the artefacts with the theme. It also desired that the organisation should make a presentation before the Expert Committee about the curatorial aspect of the museum and how the museum will co-relate with the present theme of the museum i.e. "Socio-Cultural development of the human race", before release of the grant.

II.4 Accordingly, the organisation made a presentation before Expert Committee. The committee observed that the proposed museum is a collection of variety of objects, without clearly depicting the historical chronology and the theme. The committee was of the view that the collection does not justify the project cost of Rs. 8.79 Cr. However, the Committee felt that the proposal may be supported with an advisory to refine the presentation of the collection to clearly bring out the subject of museum i.e. socio culture. The committee recommended for an assistance of Rs. 2.0 crore to the organisation.

III. Proposal of Cantonment Board, Shajahanpur for construction of new museum in Cantonment Board (Project Cost: Rs. 500.18 lakhs)

III.1 A proposal has been received from office of cantonment board Shahajanpur, UP for establishing a museum on the life of Saheed Ram Prasad Bismil and others.

III.2 Expert Committee considered the proposal in its meeting held on 29.12.2016 and observed that there is no concept for the museum. Also there were no details of artefacts related to Shaheed Ram Prasad Bismil. Considering all the facts, the committee rejected the proposal and stated that the organization should come with proper DPR having detailed concept note based on archival material in respect of Shaheed Ram Prasad Bismil. There should also be a complete story line in respect of Shaheed Ram Prasad Bismil.

III.3 A revised proposal received from them was again placed in the 15th meeting of Expert Committee held on 06.03.2017. After consideration, the committee observed that though the vision of the organization is to have a museum dedicated to martyrs who belong to that area, the organisation has not been able to bring out the concept and content of the museum. The committee approved Rs. 10 lakhs for preparation of DPR describing the concept of the museum.

III.4 The organisation therefore submitted the revised DPR, which was placed before the Expert Committee for consideration. It also made a presentation before the committee describing the concept of the museum. The organisation mentioned that the proposed museum will depict the life of martyrs Saheed Ram Prasad Bismil, Ashfaqulla Khan, Thakur Roshan Singh and others through audio kiosks, videos, dioramas, digital panels etc. Considering the significance of the great freedom fighters and the proposal plan of curation & display, the Committee recommended grant of financial assistance to the organisation.

III.5 The committee remarked that the organisation has sought 100% assistance which is not in accordance with the guidelines of Museum Grant Scheme. Therefore, the committee recommended grant of financial assistance amounting to Rs. 400.144 lakhs (i.e. 80% of Rs. 500.18 lakhs) to the organization subject to the commitment from the organisation that it will bear 20% of the project cost i.e. Rs. 100.036 on its own. After receiving the said undertaking from the organization, an amount of Rs. 400.144 lakhs may be released to the organisation.

IV. Keva Museum, Phek Distt. Nagaland (Project Cost: Rs. 552.23 Lakhs).

IV.1 Green Cretopms eTshe Society, Reku Colony, Pfitsero Town, Nagaland, has submitted proposal for financial assistance amounting to Rs. 552.23 lakhs for setting up of Keva Museum at Phek Distract. Nagaland. The organisation mentioned that the proposed museum will be Ethnographic Museum and will display 456 exhibits viz. Bed/Bench, basket, hat, farming tools, weapons, men's and women traditional items and ornaments, musical instruments, coins, paintings, Manuscripts etc.

IV.2 The proposal was evaluated by the Expert Committee in light of the presentation made by the organisation during the meeting. The committee noted that the proposed museum is an ethnographic museum depicting tradition of Chakhesang Nagas. Ministry of Culture has already granted financial assistance to one organisation for establishment of museum on similar theme in the Phek District. The population of Phek district is 163000 approx, which does not justify the establishment of another museum on a similar theme in the same region. Considering all these facts, the committee has not recommended the proposal.
