# Little Naturalist

A Collaborative session for Children & Parents

A workshop on observing and documenting nature in your own little Nature Field Book.

12th December, 2015 at NGMA Bengaluru

Little naturalist is a workshop on observing and documenting nature in your own little Nature field book.

A workshop that will build curiosity and observational ability in children. The little naturalist is a fun filled session that will help children appreciate, observe and document nature at the NGMA campus. During the workshop children will make notes, create sketches and collect specimens for their very own nature journal.
