Maruja Baldwin Executive Director
San Diego Museum of Art

Director Roxana Velasquez would be presenting the long standing history of The San Diego Museum of Art (SDMA) as a cornerstone of San Diego's art community and cultural heritage. The Indian Council for Cultural Relations (ICCR) has invited her under the Academic Visitors Programme. During her time at the Museum, Velásquez has helped organize many high profile exhibitions, such as: From El Greco to Dali: Great Spanish Masters from the Perez Simon Collection; the traveling exhibition Into India: South Asian Paintings from The San Diego Museum of Art; and The Human Beast: German Expressionism at The San Diego Museum of Art—named the biggest art surprise of 2012 by U-T San Diego. Velásquez has focused on raising the international profile of the Museum's Permanent Collection. With a general contemplation on why museums continue to matter, Roxana will be highlighting San Diego Museum of Art Collections that contribute to the Museum's strength and relevance with a special focus on the Edwin Binney 3rd Collection.
