Event : **International Yoga Day - Buddhi Yoga**
IGNCA hosts sessions on Buddhi Yoga in collaboration with Khol Khel, Kolkatta. Buddhi Yoga is a platform that "marries" technology and tradition for education. The buddhi yoga platform engages the player when he lands on a square with a word. This is a hindi - sanskrit word or the hindi language teacher - this board then becomes a tool to teach vocabulary, synonyms, antonyms, etc. The word itself is associated with a story from our vast heritage of stories, these stories explore the meanings of the word. Thus a very concrete and wholesome understanding of words is what this tool can help deliver to the students by the above two engagements. Shri Amal Gopal Sureka will conduct the session on using the ancient game of snakes and ladders.
